Dear President,

On 17 June 2010, the European Parliament adopted a Resolution criticising severe human rights violations in Libya. We appeal to you now to take further action:

- All negotiations with Libya on refugee and migration issues have to be stopped immediately. A dictator like Gaddafi must not decide on the destiny of refugees.
- Intended police cooperation between the EU Border Agency Frontex and Libya has to be stopped. Frontex's mandate must not be extended to Non-European countries such as Libya.
- Push backs of boat people must cease. They have the right to be brought into a safe European harbour for a fair asylum determination procedure.
